Look at the phenotype of this bull. Great length, muscle and rib, with an excellent sheath. A son of AJH 126/0 and Tank 03/4, his pedigree is loaded with performance and a history of showing champions. His EPDs post at TOP 1% for Yearling Weight, Carcass Weight and SC. His Weaning Weight and REA is in the TOP 2%. At only 12 months of age, his ultrasound scan showed Back Fat 0.37, Marbling 5.40 and Ribeye 13.00. This young herd sire will be a game changer

Fijese en el fenotipo de este toro. Enorme largura de cuerpo, musculatura y costillar, con una vaina/prepuco excelente. Es hijo de AJH 126/0 y Tank 03/4; su pedigrí demuestra muchísimo desempeño y una historia de campeones en las calificaciones. Las DEP se clasifican en el 1% superior para el peso al año, peso de canal y circunferencia escrotal, y en el 2% superior para el peso al destete y en la superficie del ojo de la costilla. Con solo 12 meses de edad, su escan de ecografía mostró grasa dorsal 0.37, marmoleado 5.40 y la superficie del ojo de costilla 13.00. Este semental de ható joven causará cambios significativos en su prole.

We saw this bull calf run the ring and sell alongside Red Doc Ruby 4105 for \$21,000 last spring in the Red Hot Bull Sale. 6013 has become the modern direction of the Santa Gertrudis breed. Red Doc 4105 is one of the deepest, easiest fleshing, best uddered cow ever produced by Red Doc. Cherokee Never Surrender is another great bull out of Red Doc Never Before 1136, the #1 AI Sire in the Santa Gertrudis breed. This bull writes a chapter of his own in Red Doc history. 6013 weaned 848 lbs. out of a first-calf heifer. This bull has gone on to rank #1 in performance among our 2016 bull crop. This bull is a phenomenal combination of phenotype, growth and carcass - YW: 1,325 lbs., REA: 16.5, IMF: 5.39. This bull offers the profits that both registered and commercial cattle markets seek.

Vimos a este becerro macho presentarse en la pista y venderse al pie de Red Doc Ruby 4105 por \$21,000, la primavera pasada en la Subasta de Toros Red Hot. 6013 ha pasado a ser la dirección moderna indicada por la raza Santa Gertrudis. Red Doc 4105 es una de la vacas más profundas con acumulación de músculo y la mejor ubre jamás producida por Red Doc. Never Surrender es otro toro tremendo padreado por Red Doc Never Before 1136, el semental para inseminación artificial número 1 de la raza Santa Gertrudis. Este toro escribe un capítulo por sí solo en la Historia de Red Doc. 6013 se destetó a 848 lb (384.6 kg), producto de una novillona de primer parto. Este toro pasó a calificarse como el número 1 de nuestra cosecha de toros de 2016. Este toro es una combinación fenomenal de fenotipo, crecimiento y canal: peso al año 1325 lb (601 kg), superficie del ojo del lomo 16.5, grasa intramuscular 5.39. Este toro ofrece las ganancias que todo mercado ganadero comercial o registrado busca.

## CHEROKEE RULER 5156

DOB: 3/12/2015 REG#: 20153103 ID#: 5156 H/P/S: POLLED

	BW	WW	YW	Mat	TMat	Scrotal	HCW	REA	Marb	FAT	Carcass	\$G
EPD	1.52	21.64	27.04	-4.75	6.07	0.04	19.90	0.28	0.12	0.28	10	\$27.58
Accuracy	0.28	0.31	0.30	0.09	NA	0.01	0.19	0.21	0.22	0.21		

Cherokee Ruler 5156 is in the top 1% for WW, YW, HCW, REA and fat, and in the top 10% for marbling.

Cherokee Ruler, sired by Red Doc Sabe Linda 3085, a son of Red Doc Quien Sabe 0120, and out of a first-calf heifer, Red Doc heifer 3099, who is a direct daughter of KR 189/11. This bull scores phenomenally on carcass and ranked third among all Red Doc bulls in the 2016 offering. With an IMF: 6.40, YG: 1.79, REA: 14.3, this Cherokee Ruler bull, from top to bottom, is sure to consistently deliver.

Cherokee Ruler, padreado por Red Doc Sabe Linda 3085, un hijo de Red Doc Quien Sabe 0120, su madre siendo un novillona de primer parto, Red Doc 3099, e hija directa de KR 189/11. Este toro tiene una puntuación fenomenal en su canal y obtuvo el 3er lugar entre todos los toros Red Doc ofrecidos en 2016. Con unas medidas de 6.40 para grasa intramuscular y una superficie del ojo del lomo de 14.3, además de una calificación de rendimiento (del USDA) de 1.79, este toro Cherokee Ruler, seguramente entregará constancia de principio a fin.

## CHEROKEE 1208/14

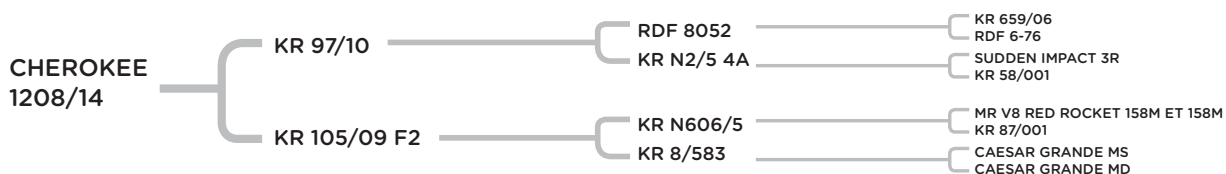

DOB: 10/15/2014

REG#: 20145953

ID#: 1208/14

H/P/S: SCURRED

	BW	WW	YW	Mat	TMat	Scrotal	HCW	REA	Marb	FAT	Carcass	\$G
EPD	0.17	12.79	23.01	-3.12	3.28	0.14	12.94	0.29	0.09	0.01	10	\$21.22
Accuracy	0.25	0.43	0.42	0.27	NA	0.37	0.34	0.33	0.33	0.44		

Cherokee 1208/14 was purchased in the Fall of 2015 from the legendary King Ranch for his performance numbers and clean under. His sire, KR 97/10 is one of the breed best for his performance, phenotype, profitability and predictability. 1208's first calf hit the ground Spring of 2017, which came very easily. It's clear that 1208 will be a calving easy bull. His actual numbers are: WW: 705, YW: 1,300, REA: 15.49, BF: 0.32, and IMF: 5.22.
